Overseas Student Enrolment Procedure

If you are applying from outside Australia

Look at our website www.calrossy.nsw.edu.au, or write or telephone (Mrs Kim Brissett, 02 5776 5107) and request a prospectus.

Complete the Student Application Form in the prospectus.

All overseas students must sit an approved English Language proficiency test, Calrossy Anglican School uses the Australian Assessment Service (AEAS). Please go to www.aeas.com.au to find your nearest testing centre.

Return the completed Student Application Form together with the application fee and associated documents (as described on the Application form) to Calrossy Anglican School.

If possible, arrange to visit Calrossy Anglican School. Do this by contacting the PA to the Principal (Mrs Kim Brissett) to make an appointment that is convenient to both parties; otherwise the Principal will conduct a teleconference with the prospective student, again at a time suitable to both parties.

If a place is available, and if your child is able to reach the required level of English proficiency, either by attending an English Language Intensive Course for Overseas Students (ELICOS) school, or due to the high results from the AEAS test, an offer may be made to you.

If your child needs to attend an ELICOS school a provisional offer may be made with the condition that he/she successfully completes the ELICOS course to the required level of English proficiency. If this level is not reached the offer may be rescinded, or your child may have to delay their entry until the required level is reached.

Once the offer of a place is made to you you can accept this offer by paying the non refundable enrolment bond of \$2000AUD and the overseas health insurance costs. Later, a Confirmation of Enrolment (CoE) form and a Confirmation of Appropriate Welfare/Accommodation form (CAAW) is prepared and sent to you. This will assist you in obtaining a visa for your child.

Overseas students are generally boarders from Years 7-12, but in certain circumstances they may live with their parents or a close relative and become a day student. For primary students (Prep to Year 6) the School does not offer boarding and only accepts students as day students living with their parents.

Students in the Primary and Secondary years are not permitted to reside with a Guardian, friend or in a home stay arrangement.

If you are applying from within Australia

Your child may sit for the AEAS test in Australia, otherwise the process is the same.

Minimum levels of English language proficiency

For Prep to Year 6 students language in class is monitored on an individual basis. English as a Second Language (ESL) teachers or Learning Support teachers are able to assist with language progression if necessary.

- 1.2. At the sole discretion of the School.
- 1.3. A reference to "these conditions" in this document is a reference to the Conditions of Entry.

2. SCHOOL RULES

- 2.1. The parents agree it is a condition of the student's admission and continuing enrolment at the School that they shall ensure, and accept responsibility for, the student's compliance with those rules which the School may establish from time to time for the good conduct of the School and its students.
- 2.2. The parents acknowledge and agree that the proper management and operation of the School may require the School to act from time to time in a manner deemed by the School to be appropriate and without consultation with the parents, particularly in circumstances where the School rules have been breached or the student is considered by the School in its sole discretion to have undertaken conduct which in any other way is not approved by the School.
- 2.3. The School rules may be varied from time to time by the School and such variation shall continue to apply to the student and, as appropriate, to the parents.

3. FEES AND SUNDRY EXPENSES

- 3.1. The parents shall at such times as the School may require, pay to the School such fees as the School may determine, and reimburse any expenses incurred by or on behalf of the student.
- 3.2. If fees and expenses are not paid in accordance with the School's requirements, the School may refuse to allow the student to attend, or may remove the student from the School.
- 3.3. Unpaid fees and expenses shall accrue interest from the date of default in payment (or such other date as may be considered appropriate by the School) at the rate or rates determined by the School from time to time and an administration charge determined by the School may be charged, which the parents agree to pay.

4. NOTICE

- 4.1. If such notice is not given, the parents agree to pay the School liquidated damages of half of the fees for the term in respect of which the student was due to commence attending the School.
- 4.2. Subject to Clause 5, before removing the student from the School for any reason, the parents shall give the Principal of the School written notice at least 10 weeks prior to the day on which the student will last attend the School. If such notice is not given, the parents agree to pay the School:

(a) All fees and expenses due and payable for the whole term during or at the end of which the student is removed; and

(b) Liquidate damages of half of the fees for the term following that term.

- 4.3. The parents agree that the calculation of liquidated damages referred to in clauses 4.1 and 4.2 represents a proper and appropriate calculation of the actual loss suffered by the School for failure to give appropriate notice.

5. TEMPORARY STUDENT ABSENCE FOR ILLNESS

If parents temporarily remove a student who has become ill, the notice provisions under clause 4 will not apply. The School, in its sole discretion, may grant a rebate of fees for an absence due to illness exceeding 14 consecutive school days. Whether a place will be held open for a student removed due to temporary illness shall be at the sole discretion of the School and subject to such conditions as the School may determine.

6. TEMPORARY ABSENCE FOR STUDY OR SIMILAR PURPOSE

Where the parents give notice under Clause 4 that the removal of a student is for study or other similar purpose, the School may in its sole discretion hold the student's place open for up to one year on the condition that a non-refundable holding fee to be determined by the School having regard to the period for which the student's place will be kept open is paid on the next date that fees would otherwise be payable pursuant to Clause 3.

(a) to terminate the right of the student to attend the School; or

Where the student is suspended or expelled and the fees are unpaid at the date of suspension or expulsion, the parents agree that they shall be liable to immediately pay to the School all fees, expenses and any interest then outstanding in relation to the student up to and including fees payable to the end of the term in which the suspension or expulsion occurs. In this event the parents waive and abandon any set-off or counterclaim arising from the student's inability to continue to attend the School.

The parents shall be responsible for all medical, hospital, dental and other expenses incurred by or on behalf of the student arising from or in connection with any injury or illness suffered by the student while attending the School or taking part in School activities, and the parents

11.4. No error in, non-receipt or late receipt of, a Business Notice shall bind the School or entitle the parents or the student to any relief from their obligations contained in these conditions or a Business Notice, nor shall it entitle the parents or student to any compensation arising from any loss or damage allegedly suffered as a consequence of such error, non-receipt or late receipt.
