Change that matters*

The Board of Calrossy Anglican School invites applicants for the position of Principal, commencing in January, 2026.

Calrossy Anglican School, a leading, regional, independent, day and boarding institution, offers a holistic education for boys and girls from preschool to secondary school. Located in scenic Tamworth, New South Wales, Calrossy has been a cornerstone of educational excellence since its founding in 1919.

Calrossy is a non-selective, co-educational, boarding school, constituted through an Ordinance of the Anglican Diocese of Armidale. Its enrolment of just over 1000 students spans a preparatory school, junior school and middle school on the William Cowper campus, senior school and girls' boarding on the Brisbane St campus, boys' boarding at Simpson House and a farm, 'Tangara', outside Tamworth.

Calrossy Anglican School is committed to fostering academic excellence, spiritual growth, and a sense of community.

The successful candidate is required by the Calrossy Constitution to be "a person of Christian faith and character and who is a participating member of a Christian denomination acceptable to the (Anglican) Bishop (of Armidale) and shall undertake to support the principles and direction of the Anglican Church of Australia and as expressed in this Constitution." The Board is therefore seeking a committed, active Christian with a mature faith which is being lived out in all aspects of their life.
